

## Yahrzeit Database

As you may know, we maintain a yahrzeit/anniversary of death database in the Havurah office. Many of you already receive notices reminding you of upcoming yahrzeits for your loved ones, and their names are read at services. If you are not currently receiving notices, and would like to get notices and have names added to the list of yahrzeits read on Friday nights at Havurah please fill out the following information (write additional names and information on the back.)

English Name of Deceased: \_\_\_\_\_

Hebrew Name (if known): \_\_\_\_\_

Name of Havurah member observing yahrzeit: \_\_\_\_\_

Relationship (i.e., parent, sibling): \_\_\_\_\_

Date of Death (include year): \_\_\_\_\_

Time of Death - before or after sundown: \_\_\_\_\_

(this allows us to determine the Hebrew date of death)
