

Sukkot Dinner and Celebration

Sharing the Bounty - Water for Nicaragua

Sunday, September 26, 4:30 – 8:30pm

Havurah Shalom, 825 NW 18th Ave

Join us to celebrate Sukkot, our harvest holiday, in an unusual blend of ancient and modern ways. We will recall the mysterious and raucous ways our ancestors rejoiced in water during Sukkot rituals in the Temple. And we will celebrate our partnering with Green Empowerment, a Portland nonprofit organization, and AsoFenix, Nicaragua NGO, to build a community solar water system in El Jocote, Nicaragua.

We have almost reached our fund-raising goal!

Everyone of all ages welcome!

Don't Miss Out! Celebration includes:

- Fun and informative activities for all ages with a focus on water resources and Nicaraguan culture, beginning at 4:30.
- Sukkot celebration replete with mysterious and ancient water libations
- Nicaraguan dinner served at 5:30 - the vegetarian menu will include tamales, Tres Leches Pastel and gallo pinto
- Latin music and dancing with Cuban entertainer Xavier Tabora

The event includes a tribute to four members who have taken leadership in Social Action Activities at Havurah: Bob Brown for his tireless dedication to social action at Havurah and **Natalie Lerner, Mira Reichman, and Eliana Sullivan** - three recent B'not Mitzvah who raised money for the El Jocote project as their tzedakah projects.
